

## Supersteer Diesel Mantrip

The Supersteer is a nonpermissible, MSHA approved personnel carrier and tow vehicle for use in underground and above ground mining. For sustained run time and pulling power, a diesel transporter is the way to go. The 4-wheel drive, 4-wheel steer Supersteer can be built to PA and WV emissions requirements.

With features like Dana 70 steerable axles with disc brakes and an MSHA approved diesel engine, the Supersteer Diesel Mantrip is a great benefit in a variety of industries. Johnson Industries' Supersteer Diesel Mantrip has the durability for the job, and is or can be used around the world in salt mines, coal mines, molybdenum mines, zinc mines, potash mines, gold mines, rock mines.

Featuring mud grip tires, fire suppression, and hydraulic fail-safe breaks, the Supersteer Diesel from Johnson Industries is a great solution for your industry's personnel carrier needs.

## Supersteer Diesel Mantrip

### Vehicle Specifications

- Msha approved diesel engines:
  - 48 hp kubota, water cooled
  - 63 hp deutz, air/oil cooled
  - 74 hp deutz, air/oil cooled, turbo
- Full instrumentation with shutdowns
- Automatic, three speed transmission or industrial two speed power shift transmission, both with transfer case.
- Transmission cooler and electric fan
- Full-time four wheel drive
- Four wheel steering
- Dana 70 steerable axles, front and rear, limited slip disc brakes or hd planetary axles with wet disc brakes.
- Four coil springs or airbags with 5-bar suspension front and rear
- Hydraulic fail-safe brake
- Scoop-type lever steering, or steering wheel
- Mudgrip tires
- Fire suppression, manual or automatic

### Standard Dimensions:

- **Width:** 97" - 109"
- **Height:** 34"
- **Deck Length:** 142"
- **Clearance:** 10"
- **Overall Length:** 236"

### Available Options:

- Emissions, instrumentation, and hardware packages to meet WV or PA requirements
- Can be built as 2-wheel drive
- Planetary differentials with internal wet brakes
- Canopy
- Strobe light
- Fire extinguisher
- Rescuer storage box
- Industrial transmission

### Industries Used Or Can Be Used:

- Mining Industries
- Salt Mining
- Coal Mining
- Molybdenum Mining
- Zinc Mining
- Potash Mining
- Gold Mining
- Rock Mining
